Relief Requested

Sitrick’s Qualifications

8. Under the Engagement Letter, the Debtors retained Sitrick to evaluate and advise

³ Any references to or summaries of the Engagement Letter in this Application are qualified by the express terms of the Engagement Letter, which shall govern if there is any conflict between the Engagement Letter and the summaries provided herein. Additionally, any capitalized terms used in this Application and not otherwise defined herein or in the First Day Declaration shall have the meanings ascribed to such terms in the Engagement Letter.

the Debtor on a variety of corporate communications and public relations issues deriving from or associated with the Debtors' efforts to restructure its financial affairs and capital structure in a sale or reorganization case filed under chapter 11 of the Bankruptcy Code.

9. Since entry into the Engagement Letter, the Debtors and Sitrick have worked closely with respect to the matters set forth in the Engagement Letter. In doing so, Sitrick has become uniquely familiar with the Debtors' business affairs and current corporate communications and public relations needs. Sitrick's services are necessary to the Debtors because Sitrick will be able to assist the Debtors in protecting, retaining, and developing the goodwill and confidence of a number of constituency groups and stakeholders during these chapter 11 cases. The cooperative participation of parties such as employees, partners, customers, vendors, regulators and other creditors, and lenders is essential to the Debtors' ability to maximize the value of the estate for the benefit of all parties-in-interest. Accordingly, the Debtors submit that the retention of Sitrick on the terms and conditions set forth herein is necessary and appropriate, is in the best interests of their estate, creditors, and all other parties in interest, and should be granted.

10. Sitrick has provided advice and assisted the Debtors in connection with corporate communications and public relations aspects of the restructuring efforts and has been instrumental in developing and drafting specific communication materials and related strategy designed to facilitate the smooth transition of the Debtors' operations into chapter 11, including communications to key constituencies.

11. The Debtors are familiar with the professional standing and reputation of Sitrick. Among other things, the Debtors understand that Sitrick has a wealth of experience in providing

corporate communications and public relations advice and consultancy in restructurings and reorganizations and enjoys an excellent reputation for services it has rendered in large and complex chapter 11 cases on behalf of debtors and creditors throughout the United States.

12. As described in the Adrian Declaration, Sitrick is a full-service independent global public relations firm with approximately 40 professionals collaborating across its Los Angeles, New York, San Francisco, Denver and Washington DC offices. Sitrick has been ranked as one of the top strategic communications companies in the nation and has emerged as a leader in corporate reputation management, with extensive experience in both out-of-court restructurings and complex chapter 11 cases. For example, Sitrick has been retained and performed services in the Chapter 11 bankruptcy cases of *In re RDA Holding Co.*, No. 13-22233 (RDD) (Bankr. S.D.N.Y. Mar. 25, 2013) [Docket No. 180]; *In re USG Corp.*, No. 01-02094 (KG) (Bankr. D. Del. Sept. 10, 2001) [Docket No. 292]; *In re Bumble Bee Seafoods, Inc.*, No. 97-06544 (JH11) (Bankr. S.D. Ca.); *In re Exide Techs.*, No. 13-11482 (KJC) (Bankr. D. Del. July 9, 2013) [Docket No. 281]; *In re Mirant Corp.*, No. 03-46590 (RFN) (Bankr. S.D. Tex. Aug. 5, 2003) [Docket No. 343]; *In re Burlington Indus., Inc.*, No. 01-11282 (KJC) (Bankr. D. Del. Dec. 12, 2001) [Docket No. 97]; *In re Peregrine Sys., Inc.*, No. 02-12740 (JFK) (Bankr. D. Del. Nov. 18, 2002) [Docket No. 478]; *In re Delphi Corp.*, No. 05-44481 (RDD) (Bankr. S.D.N.Y. 2007) and others.

13. Sitrick will assist the Debtors in protecting, retaining, and developing the goodwill and confidence of a number of constituency groups and stakeholders during the chapter 11 cases. In this regard, it is crucial that communications be tailored appropriately to each particular constituency. The cooperative participation of parties such as employees, partners, customers, vendors, regulators, trade and other creditors, and lenders is essential to the Debtors'

ability to maximize the value of the estate for the benefit of all parties-in-interest. Accordingly, the Debtors submit that the retention of Sitrick on the terms and conditions set forth herein is necessary and appropriate, is in the best interests of their estates, creditors, and all other parties in interest, and should be granted.

14. Further, the services of Sitrick are also necessary to enable the Debtors to efficiently and effectively control and address media-related inquiries and matters. Indeed, inaccurate media reporting may raise a variety of negative issues, which may be significantly detrimental to the Debtors' public image and the businesses of its operating subsidiaries, ultimately affecting or even jeopardizing the successful outcome of these chapter 11 cases. The Debtors need the assistance of a professional public relations firm to properly address such media-related inquiries and matters. For these reasons, Sitrick's retention is in the best interest of the Debtors, their estate, and their creditors, and should be approved. Further, the Debtors believe that Sitrick is well qualified and able to assist the Debtors in a cost-effective, efficient, and timely manner.

Scope of Services

15. Under the terms of the Engagement Letter, Sitrick will provide such corporate communications and public relations consulting and advisory services as Sitrick and the Debtors deem appropriate and feasible to advise the Debtors in the course of the chapter 11 cases. Specifically, and subject to further order of this Court, Sitrick will render various services to the Debtor including, among others, the following:

- (a) Develop and implement communications programs and related strategies and initiatives for communications with the Debtors' key constituencies (including customers, employees, vendors, bondholders, related key constituencies, and the media) regarding the Debtors' operations and progress through the chapter 11 process;

- (b) Develop public relations initiatives for the Debtor to maintain public confidence and internal morale during the chapter 11 process;
- (c) Prepare press releases and other public statements for the Debtor, including statements relating to major chapter 11 events;
- (d) Prepare other forms of communication to the Debtors' key constituencies and the media;
- (e) Develop and maintain a website containing communications materials for various constituencies regarding the restructuring; and
- (f) Perform such other communications consulting services as may be requested by the Debtor.

Terms of Retention

16. The Debtors understand that Sitrick intends to apply to this Court for allowances of compensation and reimbursement of expenses for its services in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, orders of this Court, and guidelines established by the US Trustee. The customary hourly rates, subject to periodic adjustments, charged by Sitrick professionals anticipated to be assigned to this case are as follows: Brenda Adrian, \$625/hour, Tom Mulligan, \$625/hour, and Angela Pruitt, \$395/hour. Sitrick may involve other professionals employed by Sitrick with similar experience and rates to implement communications strategies as may be necessary from time to time.

17. The rates charged by Sitrick are comparable to what is generally charged by other firms of similar stature to Sitrick for comparable engagements, both in and out of bankruptcy, and represents Sitrick's standard fee amounts. Sitrick and the Debtors believe that the foregoing compensation arrangement is reasonable and market-based and consistent with Sitrick's normal and customary billing levels for comparably sized and complex cases, both in and out-of-court, involving the services to be provided in the chapter 11 case.

18. In addition, the Debtors have agreed to reimburse Sitrick for all reasonable, documented out of pocket expenses actually incurred by Sitrick (excluding legal fees, expenses, and disbursements). Sitrick will follow its customary expense reimbursement guidelines and practices in seeking expense reimbursement from the Debtors.

19. The Debtors paid Sitrick \$85,000.00 as an initial retainer (the “Retainer”), and replenished that amount from time to time prior to the Petition Date. In total, prior to the Petition Date, the Debtors paid Sitrick \$110,000 (the “Retainer Amounts”) which Sitrick applied against Sitrick’s prepetition fees and costs, such that Sitrick believes it did not have any outstanding and unpaid fees as of the Petition Date. As of the Petition Date, Sitrick had approximately \$0 remaining and on hand from the total Retainer Amounts. Sitrick has agreed to waive any prepetition amounts owed that may have not been applied or accounted for prior to the filing date. Sitrick intends to file interim and final fee applications for the allowance of compensation for services rendered and reimbursement of expenses incurred in accordance with applicable provisions of the Bankruptcy Code, the Fee Guidelines, the Bankruptcy Rules, and any applicable orders of this Court. Such applications will include time records setting forth, in a summary format, a description of the services rendered by each professional, and the amount of time spent on each date by each such individual in rendering services on behalf of the Debtor. Time is billed by Sitrick in increments of one-tenth of an hour. Sitrick will also maintain detailed records of any actual and necessary costs and expenses incurred in connection with the services discussed above.

20. Subject to the provisions in the Engagement Letter, the Debtors are authorized to indemnify, and shall indemnify, Sitrick in accordance with the Engagement Letter for any claim arising from, related to, or in connection with the services provided under the Engagement Letter,

whether prepetition or postpetition.

21. Notwithstanding any provisions of the Engagement Letter to the contrary, the Debtors shall have no obligation to indemnify Sitrick or provide contribution or reimbursement to Sitrick for any claim or expense that is either judicially determined to have resulted primarily from the reckless or willful misconduct, malpractice, gross negligence, bad faith, self-dealing, or breach of fiduciary duty of Sitrick. By this Application, the Debtors seek approval of the Engagement Letter.

Disinterestedness

22. Sitrick has reviewed its electronic database to determine whether it has any relationships with the creditors and parties in interest provided by the Debtors attached here at Schedule 1 and, to the best of the Debtors' knowledge, information, and belief, and except as disclosed in the Adrian Declaration, Sitrick represents that it neither holds nor represents any interest materially adverse to the Debtors' estates in connection with any matter on which it would be employed.

23. To the best of the Debtors' knowledge, Sitrick is a "disinterested person" as that term is defined in Bankruptcy Code section 101(14), as modified by Bankruptcy Code section 1107(b), as Sitrick represents in the Adrian Declaration, among other things, that:

- (a) Sitrick has further informed the Debtors that it will conduct an ongoing review of its files to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new material facts or relationships are discovered or arise, Sitrick will supplement its disclosure to this Court.
- (b) Sitrick has also agreed not to share with any person or firm the compensation to be paid for professional services rendered in connection with the case.
- (c) The Debtors believe that Sitrick is not owed any amounts with respect to its prepetition fees and expenses.

24. To the extent that there is any inconsistency between this Application, the Retention Order, and the Engagement Letter, the Retention Order shall govern.

Notice

25. No trustee, examiner or official committee has been appointed in the Debtors' chapter 11 cases. Notice of this Application has been served on the following parties and/or their counsel, if known, via facsimile, overnight delivery, e-mail, and/or hand delivery: (a) the Office of the U.S. Trustee for the Northern District of Ohio; (b) the entities listed on the Consolidated List of Creditors Holding the 50 Largest Unsecured Claims filed pursuant to Bankruptcy Rule 1007(d); (c) counsel to the Bank of New York Mellon Trust Company, N.A., in its capacity as indenture trustee under various indenture agreements; (d) counsel to UMB Bank, National Association, in its capacity as indenture trustee, paying agent, and collateral trustee under various indenture agreements, including, without limitation, certain pollution control revenue bond indentures and certain first mortgage bond indentures, and trust agreements; (e) counsel to Wilmington Savings Fund Society, FSB, in its capacity as indenture trustee and pass through trustee under various indenture agreements and trust agreements in connection with the Bruce Mansfield Unit 1 sale-leaseback; (f) counsel to the Ad Hoc Group of Holders of the 6.85% Pass Through Certificates due 2034; (g) counsel to the ad hoc group of certain holders of (i) pollution control revenue bonds supported by notes issued by FG and NG and (ii) certain unsecured notes issued by FES (collectively, the "Ad Hoc Noteholder Group"); (h) counsel to FirstEnergy Corp.; (i) counsel to MetLife Capital, Limited Partnership; (j) the District Director of the Internal Revenue Service; (k) the Securities and Exchange Commission; (l) the Office of the United States Attorney for the Northern District of Ohio; (m) the United States Environmental

- (c) Prepare press releases and other public statements for the Debtors, including statements relating to major chapter 11 events;
- (d) Prepare other forms of communication to the Debtors' key constituencies and the media;
- (e) Develop and maintain a website containing communications materials for various constituencies regarding the restructuring; and
- (f) Perform such other communications consulting services as may be requested by the Debtors.

11. As noted above, Sitrick has substantial expertise in all of these areas and is willing to perform such services for the Debtors.

PROFESSIONAL COMPENSATION

12. Sitrick's allowance of compensation and reimbursement of expenses will remain subject to review and approval of this Court, and Sitrick will apply to this Court for allowance of compensation and reimbursement for out-of-pocket disbursements incurred during the pendency of the chapter 11 cases.

13. As set forth in further detail in the Engagement Letter, Sitrick intends to:

- (a) charge for the agreed-upon services in accordance with its standard hourly billing rates, which range from \$185 to \$1150, depending on the person performing the services (the Sitrick professionals anticipated to be assigned to this case are as follows: Brenda Adrian, \$625/hour;

Tom Mulligan, \$625/hour; and Angela Pruitt, \$395/hour, and Sitrick may involve other professionals employed by Sitrick with similar experience and rates to implement communications strategies as may be necessary from time to time), and (b) seek reimbursement of reasonable and necessary expenses incurred in connection with rendering corporate communications consulting services to the Debtors.

14. Sitrick's rates are comparable to what is generally charged by other firms of similar stature to Sitrick for comparable engagements, both in and out of bankruptcy, and represent Sitrick's standard fee amounts. Sitrick and the Debtors believe that the foregoing compensation arrangement is both reasonable and market-based and consistent with Sitrick's normal and customary billing levels for comparably sized and complex cases, both in and out-of-court, involving the services to be provided in the chapter 11 cases.

15. In addition, the Debtors have agreed to reimburse Sitrick for all reasonable, documented out of pocket expenses actually incurred by Sitrick (excluding legal fees, expenses, and disbursements). Sitrick will follow its customary expense reimbursement guidelines and practices in seeking expense reimbursement from the Debtors.

16. Sitrick intends to file interim and final fee applications for the allowance of compensation for services rendered and reimbursement of expenses incurred in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and any applicable orders of this Court. Such applications will include time records setting forth, in a summary format, a description of the services rendered by each professional, and the amount of time spent on each date by each such individual in rendering services on behalf of the Debtors. Time is billed by Sitrick in increments of one-tenth of an hour. Sitrick will also maintain detailed records of any actual and necessary costs and expenses incurred in connection with the services discussed above.

17. On March 21, 2018, the Debtors paid Sitrick \$85,000.00 as an initial retainer (the “Retainer”), and replenished that amount from time to time prior to the Petition Date. In total, prepetition, the Debtor paid Sitrick \$110,000 (the “Retainer Amount”). Prior to the Petition Date, Sitrick applied the entire Retainer Amount against Sitrick’s prepetition fees and costs. As of the Petition Date, Sitrick believes it did not have any outstanding and unpaid fees and expenses owed to it by the Debtors. Sitrick has agreed to waive any prepetition amounts owed that may have not been applied or accounted for prior to the filing date. Subject to this Court approval, Sitrick’s fees incurred postpetition will be determined in accordance with Sitrick’s standard hourly billing rates, and such amounts will be paid by the Debtors subject to the Bankruptcy Code, Bankruptcy Rules, Local Rules and any applicable order of the Court.

18. The Debtors propose to pay Sitrick at the rates and on the terms set forth in the Engagement Letter. The rates set forth in the Engagement Letter are Sitrick’s standard rates for work of this nature and are set at a level designed to compensate Sitrick fairly for the work of its professionals and to cover fixed and routine overhead expenses while also being responsive to the Debtors’ current financial condition.

19. There are no arrangements between Sitrick and any other entity to share compensation received or to be received in connection with the case.

INDEMNIFICATION

20. Sitrick and its shareholders, officers, directors, employees, and agents (collectively, the “Indemnified Parties”) will be indemnified by the Debtor under certain circumstances as set forth in the Engagement Letter. Pursuant to the Engagement Letter, the Debtor agrees to indemnify the Indemnified Parties for Sitrick in accordance with the Engagement Letter for any claim arising from, related to, or in connection with the services provided for,

whether prepetition or postpetition, in the Engagement Letter. See Engagement Letter, ¶ 6.

DISINTERESTEDNESS

21. Sitrick is aware that the Debtors have numerous creditors, stakeholders, and other parties with whom it maintains business relationships. Prior to the filing of this Declaration, Sitrick obtained from the Debtors the names of the individuals and entities that may be parties in interest in the chapter 11 cases, including, without limitation: (i) the Debtors and their affiliates; (ii) the Debtors' (a) current officers and directors, (b) current directors and officers of affiliates, (c) non-affiliate Energy Distribution Companies, (d) lenders, banking institutions, lien parties and administrative agents, (e) bondholders and indenture trustees, (f) surety bond providers, (g) unions, (h) governmental agencies and municipalities, (i) regulatory agencies, (j) potential and active litigation counterparties, (k) known 5% or more equity interest holders of the Debtors, (l) known 5% or more equity interest holders, as of December 2017, of First Energy Corp. and certain other known equity holders of First Energy Corp., (m) insurance carriers, (n) landlords, (o) bankruptcy professionals, including those professionals proposed to be retained in the chapter 11 cases, (p) other professionals, (q) accounts payable, (r) certain contract counterparties, (s) customers,² (t) third party sales agents, (u) taxing authorities and (v) utility providers; (w) significant competitors, (x) top 50 unsecured creditors and (y) the United States Trustee for the Northern District of Ohio, the U.S. Attorney, and judges for the Northern District of Ohio (collectively, the "Potential Parties in Interest"). Sitrick maintains a database containing the names of current, former, and potential clients and other principal parties related to such clients. I caused Sitrick to review and analyze the conflict database to determine whether Sitrick has any

connection with the Potential Parties in Interest attached hereto as Schedule 1.³

22. Based upon this research, I have determined that Sitrick has not provided services to any Potential Parties in Interest over the past three (3) years.

23. To the best of my knowledge, and in view of the foregoing, Sitrick and the professionals employed by it are disinterested persons who do not hold or represent an interest adverse to the estate and except as set forth above do not have any connection either with the Debtor, its creditors, or any other party in interest in the case or with their respective professionals or accountants, with the judges of this Court, or with the US Trustee or any person employed in the Office of the US Trustee.

24. Sitrick makes the following additional disclosures with respect to Sitrick's disinterestedness. References to Sitrick include all members expected to render services in these cases:

- a) Sitrick is not a creditor, equity security holder, or insider of the Debtors;
- b) Sitrick is not and was not investment bankers for any outstanding security of the Debtors;
- c) Sitrick has not been, within three (3) years before the Petition Date, (i) investment bankers for a security of the Debtors, or (ii) an attorney for such investment banker in connection with the offer, sale, or issuance of a security of the Debtors; and
- d) Sitrick was not, within two (2) years before the Petition Date, a director, officer, or employee of the Debtors or of any investment banker as specified in subparagraph (b) or (c) of this paragraph.

25. Although Sitrick is unaware of any other connections at the present time, it is possible that Sitrick may have provided services for certain other creditors or other parties of interest in this case in matters unrelated to the Debtors or the instant bankruptcy case. I

³ A small number of parties included in Schedule 1 have not yet been run through Sitrick's conflict database. Sitrick will file a supplemental declaration if additional disclosures are needed.

understand that if any information as stated herein changes or if I learn of any additional connections at a later date, I have a duty to supplement this declaration to disclose those facts.

I declare under penalty of perjury under the laws of the United States of America that, to the best of my knowledge and belief, and after reasonable inquiry, the foregoing is true and correct.

SITRICK AND COMPANY

a unit of Sitrick Group, LLC

March 21, 2018

Kevin Warvell
Vice President, Commercial Operations, Structuring and Pricing,
Chief Financial Officer, Treasurer and Corporate Secretary
FirstEnergy Solutions Corp.
341 White Pond Dr.
Building B3
Akron, OH 44320

Dear Mr. Warvell:

This letter will confirm our agreement that:

1. Retention of Sitrick And Company.

This letter, when accepted on behalf of FirstEnergy Solutions Corp. ("FES") and its subsidiaries and on behalf of FirstEnergy Nuclear Operating Company ("FENOC") collectively the "Company", effective as of March 21, 2018, as provided below, will constitute the agreement with respect to the engagement of Sitrick And Company, a unit of Sitrick Group, LLC ("Sitrick") as corporate communications consultants in connection with a potential restructuring of Company (hereafter referred to as "Agreement").

FES and its subsidiaries, and FENOC agree to be jointly and severally liable for all financial and other obligations under this Agreement. FES promises to fulfill all financial and other obligations under this Agreement to Sitrick, regardless of whether services are performed for its subsidiaries, FENOC, or other related entities. FENOC promises to fulfill all financial and other obligations under this Agreement to Sitrick, regardless of whether services are performed for its subsidiaries, FES, or other related entities. FES represents that it has authority to also enter into this Agreement on behalf of its subsidiaries and to bind all of them to be jointly and severally liable for all financial and other obligations to Sitrick under this Agreement. Invoices will be sent to FES, which will make payment in accordance with the terms set forth below, but its subsidiaries, as well as FENOC, remain and are liable if such payments are not timely received by Sitrick.

2. Retainer and Fees for Services Rendered.

Upon signing this Agreement, Company shall pay Sitrick a retainer of eighty-five thousand dollars (\$85,000.00). Sitrick's fees will be applied against this retainer and will be determined in accordance with Sitrick's standard hourly billing rates which range from

SITRICK AND COMPANY

a unit of Sitrick Group, LLC

\$195 to \$1,100, depending on the professional performing the services. Travel time is charged on a portal-to-portal basis for any travel for meetings held outside of Sitrick's offices. Hourly rates may be adjusted at the end of each calendar year. If one of our professionals performs multiple tasks for Company during the course of the day, our statement will describe those tasks in a continuous narrative form accompanied by single time entry for all tasks. Time is billed by Sitrick in increments of one-tenth of an hour. Sitrick's expenses will also be deducted from the retainer. When the retainer has been fully applied against time charges and expenses, additional time charges and expenses will be billed as incurred.

3. Reimbursement of Costs and Expenses.

Company shall reimburse Sitrick for all reasonable and necessary out-of-pocket expenses incurred by Sitrick in the course of Sitrick's providing services to Company, including, but not limited to, transportation, lodging, food, production costs, long distance telephone, copying, postage messengers and air courier. With respect to travel costs, Company will reimburse Sitrick for actual costs incurred.

4. Submission of Monthly Billing Statements.

Within thirty (30) days after the end of each calendar month, or as soon as practicable thereafter, Sitrick will provide Company with a statement setting forth the fees and expenses incurred by Sitrick during the prior month. Fees and out-of-pocket expenses are due and payable within twenty (20) days after date of invoice.

5. Termination of Engagement.

Sitrick's engagement hereunder may be terminated by either party hereto upon two (2) business days' prior written notice. All provisions of this Agreement relating to the payment of fees, time charges, costs and expenses and indemnification will survive conclusion of the engagement or any termination of the engagement by either party. Following termination of this Agreement, if the amount paid to Sitrick by the Company (including all advance or retainer payments) exceeds the amount owed to Sitrick by the Company under this Agreement, the difference will be promptly repaid to the Company.

6. Indemnification.

- a. Company will indemnify and hold harmless Sitrick and its members, shareholders, parent company, affiliates, officers, directors, employees and agents (collectively, the "Indemnified Parties", and each, individually, an "Indemnified Party") from and against any and all losses, claims, damages, liabilities, costs and expenses (including for Indemnified Person's own negligence, passive or active, and including, but not limited to, reasonable attorney's fees) which Sitrick or any Indemnified Party may be subject to or incur at any time (notwithstanding the termination or conclusion of this

SITRICK AND COMPANY

a unit of Sitrick Group, LLC

engagement) in connection with the services rendered by Sitrick to Company, including, but not limited to, those arising from Sitrick's or any Indemnified Party's reliance on information, representations, reports or data furnished to Sitrick by Company and those arising from any need to produce documents or give testimony at any time arising out of or in relation to the services rendered by Sitrick to Company. This paragraph shall not apply to any such losses, claims, damages, liabilities, costs or expenses of Sitrick or any Indemnified Party that are judicially and finally determined to have resulted from Sitrick's or such other Indemnified Party's fraud, gross negligence or willful misconduct.

- b. In the event that (i) Company files a voluntary petition for relief under Chapter 7 or Chapter 11 of Title 11, United States Code (the "Bankruptcy Code"), or (ii) Company has an involuntary petition under Chapter 7 or Chapter 11 of the Bankruptcy Code filed against it, the following provisions relating to indemnification shall also apply:

Any request by Sitrick for indemnification pursuant to paragraph 6(a) of this Agreement shall be subject to prior approval of the Court in accordance with the requirements under §§ 330 and 331 of the Bankruptcy Code.

All requests by Sitrick for payment of indemnity pursuant to this Agreement shall be made by means of an application (interim or final as the case may be) and shall be subject to review by the Court to ensure that payment of such indemnity conforms to the terms of the Agreement and is reasonable based upon the circumstances of the litigation or settlement in respect of which indemnity is sought, provided, however, that in no event shall Sitrick nor any Indemnified Party be entitled to be indemnified for losses, claims, damages, liabilities, costs or expenses that are judicially determined to have resulted from Sitrick's or such other Indemnified Party's bad faith, self-dealing, breach of fiduciary duty, gross negligence, or reckless or willful misconduct.

In no event shall Sitrick be indemnified if Company, the Debtor, the estate, or the official committee of unsecured creditors asserts a claim for, and a court determines by final order that such claim arose out of, Sitrick's own bad faith, self-dealing, breach of fiduciary duty, gross negligence, or reckless or willful misconduct arising from the foregoing.

In the event that Sitrick seeks reimbursement for attorney's fees from Company pursuant to this Agreement, the invoices and supporting time records from such attorneys shall be included in Sitrick's own applications (both interim and final) and such invoices and time records shall be subject to the United States Trustee's guidelines for compensation and reimbursement of expenses and the approval of the Bankruptcy Court under the standards of §§ 330 and 331 of the Bankruptcy Code without regard to whether such attorney has been retained under § 327 of the Bankruptcy Code.

SITRICK AND COMPANY

a unit of Sitrick Group, LLC

7. Confidentiality.

In the performance of this Agreement, Sitrick may receive, or otherwise have access to, confidential, proprietary and/or other nonpublic information belonging to Company, some or all of which may be specifically designated by Company as confidential ("Confidential Information").

Sitrick agrees to maintain in strictest confidence all Confidential Information and to take reasonable measures to maintain the confidentiality of such information. Sitrick agrees, with respect to such Confidential Information, to use the same methods and degree of care to prevent disclosure of such Confidential Information as it uses to prevent disclosure of its own proprietary and Confidential Information. Sitrick further agrees not to use, or disclose to any third party, any Confidential Information for any purpose without the prior consent of Company or unless compelled by court order or other legal or governmental process requiring such disclosure. Notwithstanding the foregoing, confidentiality obligations shall not apply to any information which (i) enters (or has entered) the public domain through no fault of Sitrick; (ii) which was known to Sitrick prior to receipt from Company; (iii) is or becomes available to Sitrick on a non-confidential basis from a source other than Company (unless Sitrick is aware of a duty of confidentiality on the part of the source owed to Company); (iv) which is independently developed or acquired by Sitrick without recourse to Confidential Information; or (v) which is permitted to be disseminated or otherwise disclosed pursuant to the next paragraph of this Agreement.

It is expressly understood between the parties that a key function Sitrick will be providing in connection with its public relations services will be the dissemination of information and materials as a public relations firm, including the disclosure and dissemination of certain information and materials received from Company or its affiliated representatives, agents, and/or entities or as to which Company has consented to its dissemination and disclosure or which prior to such disclosure and dissemination, has not been specifically identified and designated by Company as Confidential Information not to be disclosed. Notwithstanding the foregoing or anything in this agreement to the contrary, it shall be the responsibility of Company to specifically identify and designate to Sitrick the information provided to Sitrick which is not to be disclosed because it is Confidential Information, and Company acknowledges and consents to Sitrick disclosing to the media or others that Sitrick is acting in its capacity as a public relations firm for the benefit of Company.

In the event that Sitrick is requested or required to produce (pursuant to any legal or governmental process or proceeding): (i) any Confidential Information or (ii) any documents generated by Sitrick in connection with this engagement by subpoena, request for information or documents, production of records consistent with its retention as Company's expert, or other similar legal process ("Request"), Sitrick will provide

SITRICK AND COMPANY

a unit of Sitrick Group, LLC

Company prompt written notice of the Request so that Company may seek a protective order or otherwise seek to limit or protect such Confidential Information and/or documents from disclosure.

8. Conflicts.

Company acknowledges that as a firm with a diversified practice Sitrick is often called upon to represent clients in many fields and with different interests. It is expressly understood between the parties that although Sitrick will not represent another client on the same subject matter of this particular engagement where such other client is adverse to Company on the particular subject matter of this engagement, nothing contained herein in any way prohibits or restricts Sitrick from representing a client now or in the future whose interests conflict with or are adverse to Company. In such event, Sitrick would of course maintain the confidentiality of information provided by Company.

9. Hiring of Employee of Other Party.

Each of the parties agrees not to solicit for employment, or employ any employee of the other during the pending of Sitrick's engagement and for a period of two years thereafter, but this prohibition is limited to those employees of the parties who were involved with or interacted in relation to this engagement. If either party hires an employee of the other during the engagement or within the two year period following the conclusion or termination of the engagement, the hiring party agrees to pay the employer of the employee(s) so hired, as liquidated damages, a fee equal to one hundred percent of the annualized total gross billings generated by each such hired employee for the twelve-month period prior to such employee's departure, or the annual gross salary of the employee at the time of departure, whichever is higher in dollar amount. All terms contained in this paragraph will survive for a period of two years following the date of any termination or conclusion of this engagement.

10. Arbitration and Jurisdiction.

By signing this Agreement, we agree that, in the event of any dispute or claim arising out of or relating to this Agreement, our relationship, our charges, or our services, SUCH DISPUTE OR CLAIM SHALL BE RESOLVED BY SUBMISSION TO FINAL AND BINDING ARBITRATION BEFORE A SINGLE NEUTRAL ARBITRATOR IN LOS ANGELES COUNTY, UNDER THE AUSPICES AND RULES OF JUDICIAL ARBITRATION AND MEDIATION SERVICES ("JAMS") USING JAMS STREAMLINED PROCEDURES. BY AGREEING TO ARBITRATE COMPANY WAIVES ANY RIGHT IT MAY HAVE TO A COURT OR JURY TRIAL. Judgment upon such arbitration may be entered in the State Court for New York, which the parties agree has, and hereby consent to, jurisdiction over all such matters. This Agreement shall

SITRICK AND COMPANY

a unit of Sitrick Group, LLC

be interpreted and enforced in accordance with the substantive laws of the State of New York applicable to contracts made and to be performed therein. In the event that a dispute arises hereunder, the prevailing party in any litigation or arbitration shall be entitled to attorneys' fees and all costs and expenses of any sort.

Notwithstanding the foregoing, in the event that Company is the subject of a proceeding under Chapter 7 or Chapter 11 of the Bankruptcy Code, the United States Bankruptcy Court for the district in which such proceeding is pending shall have jurisdiction over this Agreement and any controversies, claims or disputes hereunder to the extent that such Bankruptcy Court has retained jurisdiction over such Chapter 7 or Chapter 11 proceeding and the arbitration provision shall be of no force and effect.

11. Interest.

Any sums due under this Agreement that are not paid to Sitrick within thirty (30) days of date of invoice shall bear interest at the rate of ten percent (10%) per annum.

12. Applicable Law.

This Agreement shall be interpreted and enforced in accordance with the substantive laws of the State of New York applicable to contracts made and to be performed therein.

13. Interpretive Provisions.

The paragraph headings of this Agreement are for convenience of reference only and shall not affect the interpretation of this Agreement.

If any provision of this Agreement is held to be invalid or unenforceable, such invalidity or unenforceability shall not invalidate this Agreement as a whole, but this Agreement shall be construed as though it did not contain the particular provision held to be invalid or unenforceable and the rights and obligations of the parties shall be construed and enforced only to such extent as shall be permitted by applicable law.

14. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be a duplicate original, but all of which, taken together, shall be deemed to constitute a single instrument. The parties agree that a facsimile or e-mailed PDF of an executed counterpart of this Agreement shall be deemed to constitute due and sufficient delivery of a duplicate original that may be used for all the same purposes as an original.

Please countersign and return the enclosed copy, whereupon this Agreement will constitute an agreement between Company and Sitrick.

We are pleased to have the opportunity to work with you, and you have the assurance of our very best efforts.
